Areas of Activities

TOURISM ACTIVITIES

1. Active and Nature Tourism Activities

Offer

Dolphins Observation

Observe dolphins behavior in their natural environment. This experience will thrill you.

This boat tour lasting maximum 2h30min will be along the coast of Algarve and the barrier islands of the Natural Park of Ria Formosa. The tour will be accompanied by a biologist guide that will let you know more about the marine life, the Ria Formosa and its culture.

Offer

Seahorses Observation

In the Ria Formosa Natural Park lives the largest seahorses community in the world.

Here you have your unique opportunity to observe these amazing creatures behavior on their natural environment.

Offer

Islands Tour

Discover and enjoy the diversity of islands, villages and beaches in the Natural Park of Ria Formosa in Olhão area. The skipper will be your guide throughout the tour and will tell you all about the area, fauna and flora. We'll provide you with book guides and binoculars so you can have a even better experience.
