Description

The company Varzeamar - Atividades Marítimo Turísticas, LDA, based in Albufeira, emerged from the enthusiasm and passion for the sea, recreational navigation and water sports. Since the development of the Albufeira Marina, its strategic aim is to address the market opportunities with a variety of enjoyable tourist maritime activities. With a significant amount of experience within the nautical recreation and maritime activities from our associate managers, Varzeamar started its leisure activities in 2006 with only one vessel to carry out parasailing, cave tours, dolphin search and private hire. Today it counts with 6 main vessels and 5 supporting vessels which operate from the Marinas of Albufeira and a solid trademark that is distinguished by its professionalism and innovation (Algarexperience).
