Description

UDIVING is a diving school that is born from our passion for the sea and the will to take the dive to everyone, children, persons with disabilities to know this wonderful world. This project began in 2011 based in Faro, dedicated to training in recreational and technical diving area, following the programs of PADI (Professional Association of Diving Instructors) and DDI (Disabled Divers International) in 2012 started the UDIVING Albacora, based on Hotel Vila Gale Albacora, in order to explore the rich waters of the eastern Algarve. Licensed by IPDJ and Tourism of Portugal, Diving Centre DDI Level 0, achieved in 2013 the title of PADI 5 Star Dive Center and can now provide training from simple baptism dive to the instructor level, taking the dive to children, people disabled, all without exception.

Offer

Scuba Diving Courses

To reap the full dive, nothing is better than knowing the underwater world personally. To this you have diving courses, where we can do courses to experience a dive in the sea (Discover Scuba Diving), courses to become an autonomous diver (PADI Open Water Diver) and courses for divers who want to increase their skills both recreational and professional level (PADI Advanced Open Water Diver, Diving Specialty Courses, among others).

Offer

Fun Dives

After completing one of the dive courses, you can venture out and experience the underwater world. This program allows to make known not only a hidden world of the places we visit as many divers from around the world with their experiences and stories. You will discover that each region has different seabed and different species of living beings.

Offer

Try dive

The Discover Scuba Diving is a 2-hour program in the swimming pool where it enjoys the sensation of breathing underwater.

Here we learn about basic safety guidelines and skills needed to dive under the direct supervision of a professional PADI, diving equipment that we use to dive and how easy it is to move around underwater with your equipment, the feeling to breathe underwater and key skills that you will use for each scuba diving.

To sign up for this experience must have at least 8 years of age and desire to have fun.
