Description

Megasport Company was founded in 1992 by Cristina Dias and Fernando Canteiro. Both with passion for adventure, nature and high knowledge of the region, have developed different outdoor activities and nature programs. Completely new bike routes on the coast and in mountain, road cycling and touring which can be made in autonomy by providing road books and maps with all the necessary information to do the routes. Or with expert guides who can show the cycling and walking routes with great pleasure. Being the Algarve a privileged site for its mild climate during all year, Megasport can provide to costumers a great moments of relaxation, adventure, fun and sports.
