Description

Algarve Buggy Tours is a recent company with experienced people in events organisation and provide Buggy Tours & Off Road Events.

We provide off road tours on our 250cc automatic buggies with the duration of 1 hour (Dirt&Dust) 3 hours (Safari) 6 hours (Buggy Adventure) and 2 days (Cross Country). This allow us to tour with almost all ages and customer profiles. All our tours (except the 1 hour tour) have a gastronomical stop in one typicall village in the hills where customers can taste regional sweets and liquors.

For groups (+16 people) and Tour operators we do Off Road events with buggies, Quads and Jeeps that can be complemented (for larger groups) with other activities as Paintball and other teambuilding activities. We can do a specific theme tour for a group (cork route for example)

Safety is priority and we do a safety briefing before all tours.

Discover the interior of Algarve in a safe and fun way is what we have to offer.
